

# Hookups

## Easy Mount Instructions

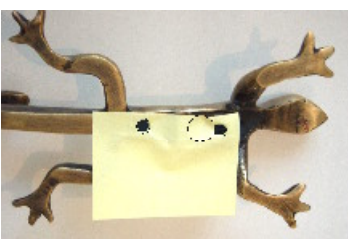

1. place adhesive note on back of hook covering mounting holes
2. using a pencil or pen, poke holes through adhesive note into upper most part of hook screw holes
3. position hook on wall in desired location
4. fix adhesive note to wall with tape
5. take away hook leaving adhesive note attached to wall
6. mark wall through the holes in the adhesive note
7. drill holes, insert plastic plugs if required
8. screw in short upper screw, adjust height of screwhead so hook is snug to wall
9. mount hook on upper screw, insert lower screw through hook body

- 1 x - Short Screw
